GENERAL INSTRUCTIONS

1. The name you provide will appear identically on all official documents.
2. Indicate your permanent address. Your permanent address is a stable address, which will be valid for a long period of time. This is the address where you may be reached, even if your mailing address changes. Indicate the phone number, residence & mobile number, fax number and the email address.
3. Indicate your qualifying examination passed, year of passing, register number, number of appearances and the marks obtained in the qualifying examinations. Photocopies of the mark sheet should be enclosed.
4. Fees once paid will not be refunded under any circumstances after the commencement of classes. The candidate should pay the entire programme fee minus whatever has been already paid, if he / she discontinues the programme any time after the closure of admission.
5. SASTRA reserves its right not to conduct a programme, if the response is not sufficient.
6. SASTRA wishes that there be no dispute on any account. However, if there is any dispute the jurisdiction will be Thanjavur, Tamil Nadu and only through appropriate Forum. No third party intervention will be entertained under any circumstances.
7. Ragging is a cognizable offence and any form of ragging either inside or outside the campus is totally prohibited. Indulging in ragging will result in expulsion from the University and / or imprisonment up to three years and / or fine up to Rs.25,000/-.
8. Last date for submission of completed application form for all B.Optom. programme is **June 30, 2017 (6.00 p.m.)**. Applicants are advised to see the website for the rank list and counselling details which will be available from 9.00 p.m. on **30.06.2017**.

B.Optom. Programme :

The B.Optom. Programme offered by SASTRA University in collaboration with the Elite School of Optometry, Sankara Nethralaya, Unit of Medical Research Foundation is a four year programme designed to create professionally trained optometrists for the healthcare sector. The student will spend the first two years at SASTRA University and the next two years at the Medical Research Foundation, Sankara Nethralaya. Emphasis on clinical training and internships along with strong foundation in basic and applied optometric courses are the hallmarks of this programme. This is in addition to two practice schools during the programme at the Medical Research Foundation. SASTRA being among the top universities in India and known for its innovation and excellence in education that is well connected with society at large, have naturally appreciated the need for quality optometrists for India. Elite School of Optometry – Sankara Nethralaya, the first school of optometry in India started in the year 1985, has been the dream destination for Optometry across the country. With 100% employment for all the graduates, students also have options to pursue higher studies or embark on entrepreneurial ventures. About 40% of the undergraduates pursue higher studies in India or abroad and around 15% of the graduates opted for doctoral studies. The integration of the infrastructural and intellectual strengths of these two institutions will contribute to the pool of skilled optometrists and vision scientists to the healthcare sector.

Eligibility for B.Optom. Programme :

- A Pass in the +2 examination in a single sitting in Physics, Chemistry, Biology, Mathematics or Physics, Chemistry, Botany, Zoology from recognised State Board / Central Board or any other Board accepted by SASTRA as equivalent to 10+2, with a minimum aggregate of 60% marks in all subjects.
- HSC candidates should not have completed 19 years as on 01.07.2017 and diploma candidates should not have completed 21 years as on 01.07.2017.

Admission Procedure :

- Admission to the B.Optom. programme will be based on the candidate's normalized aggregate +2 marks. To bring all candidates from different examining authorities / boards in the same scale of comparison and to create a list in the order of merit, the +2 or its equivalent aggregate marks will be normalized. A first rank student of each board is considered to have obtained 100% mark and aggregate mark of all other students of the board is normalized with reference to that of the first rank student. For example, if the first rank is 97% and an applicant's aggregate is 90% then the applicant's normalized percentage is 92.78 ($90/97 \times 100$). A merit list is drawn based on the normalized percentage for making admissions.
- Please note that the last date for receiving completed application is June 30, 2017 (6.00 p.m.). Applicants are advised to submit application along with a photocopy of their +2 mark sheet.
